

ANNUAL REPORT

2025

LETTER FROM **the Co-founder**

Last year was truly amazing, we expanded our presence in early childhood education, and achieved impacts that exceeded our expectations.

Our team worked tirelessly to develop more impact, which has allowed us to better serve our beneficiaries and meet their evolving needs. As we move forward, we remain committed to our mission and values, for children, education, and the environment, and we're genuinely excited about all the opportunities ahead.

Together, we'll continue to push boundaries, embrace challenges, and strive for even greater success in the coming year.

Ria A Sitohang

About Us

Founded in 2005, ars86care has evolved to build more impact on children, especially in the early childhood. We take pride in working with communities with integrity, innovation, and excellence. Our dedicated team, co-founded by five women architects, is passionate about creating tailored solutions that not only meet but exceed expectations. With a commitment to sustainability and a vision for the future, we are constantly pushing the boundaries of what's possible to gain meaningful impact on the community. Join us on our journey as we continue to make a positive impact and drive meaningful change for the environment, education, and the children.

Vision

In order to create a sustainable and prosperous future by harnessing innovative solutions for a better world, our mission is to promote and create high quality child friendly places and achieve better quality of life for children as the future generation. We believe that sustainability and innovation are essential to shaping a future where humanity and nature thrive in harmony, by building public awareness on the importance of child friendly place.

In a rapidly changing world, we are dedicated to tackling global challenges by developing forward-thinking, eco-conscious solutions that balance economic growth with environmental stewardship. Together, we can pave the way for transformative change, inspiring communities to adopt practices that benefit both people and the planet.

MISSION

Our mission is to deliver outstanding and reliable services that significantly enhance the quality of life for our beneficiaries, specifically the villages' school communities. We are committed to excellence in everything we do, ensuring that providing access to early childhood education are thoughtfully tailored to meet the unique needs of the beneficiaries.

Our geographic focus are Central Java, where population 50,76 million and known as the most population province in Indonesia (source: 2025 data). According to the birth rate by province data, Central Java is one of highest birth rate province with 18-20 children in every 1,000 inhabitants. The data says that 911,218 out of 2,188,000 registered to early childhood development program (41.6%), unfortunately more than 50% of the children do not have access to early childhood education. The demand on early childhood education and development is still high.

KEY ACHIEVEMENTS OF 2025

Volunteer Event: 20 years celebration

In 2025, ars86care proudly launched 20 years in serving children, education, and the environment. Our achievement by providing access to early childhood education in 40 villages' school infrastructures, 20 teachers capacity building have yearly positive impacts on 1,230 children, 114 teachers, and more than 3,000 parent who are mostly farmers, and labor workers (source: *paguyuban* data 2025).

This remarkable milestone was achieved through strategic program development, in-depth analysis, and creative fundraising efforts that engaged donors.

ars86care is proud to announce its successful innovation to deliver 6 mobile libraries consisting up to 200 quality children picture books for the early childhood and the villages community, as a model to build a better foundation to literacy in Indonesia.

FINANCIAL PERFORMANCE

2025 has been a remarkable year for ars86care, celebrating 20th year to serve children, education, and the environment. The foundation is well-positioned to maintain this positive momentum into the next fiscal year and beyond. ars86care has reported a steady financial performance, driven by effective cost management strategies, program strategies, volunteer engagement towards sustainability.

As we look forward, ars86care is poised to explore new opportunities, advance innovation, and continue making a meaningful impact on our environment. We invite you to join us as we embark on the next chapter of our journey toward a more sustainable future to the early childhood development.
